Conditions of the 1 year DSF Extended Parts Warranty replacements:

1. DSF will cover MotoSAT DataStorm equipment and components manufactured by MotoSAT for 12 months from the date of this agreement.
2. DSF will, at our discretion, will ship in advance either a reconditioned or new MotoSAT component in exchange for the defective component after DSF has determined the component to be defective.
3. Customer agrees to pay for the shipping and handling of the parts, to and from DSF. Customer agrees to provide a Visa or Master Card to guarantee the return of the defective component to DSF. DSF will Email the customer with the shipping address and instructions to ensure there is no misunderstanding in regards to the return.
4. The customer is expected to return the defective part within 10 business days to return the item beginning with the day it is received by the customer. Failure to return the item to DSF, will result in the customer being charged for the full retail value of that item to the credit card given.
5. DSF does not cover the cost of removal, reinstallation, alignment or any other service performed under this 1 year parts warranty, unless it is at DSF facility.
6. Any item being returned must be properly packaged and addressed as prescribed by DSF.

Warranty Exclusions and Limitations:

1. This warranty does not cover damage due to accident, misuse, abuse, neglect.
2. This warranty does not cover damage due to wind, lightning, power surges, fire, flood or any other act of nature.
3. This warranty does not apply to any component or product not manufactured by MotoSAT, included but not limited to: Modems, (IRU/ITU), feed horn, LNB, transmitter, dish face and Satellite TV LNB.
4. All components not manufactured by MotoSAT are subject to separate warranties issued by the Original Equipment Manufacturer (OEM). Hughes.Net, Prodelin, UnaSat, IDirect, etc.
5. DSF shall in no event be liable for damage to or loss of any equipment or consequential damages, including but not limited to damages to other equipment resulting from the installation or operation of the MotoSAT components.

Misrepresentations:

DSF has not authorized anyone to make representations or warranties other than the warranties contained herein.

CANCELLATION POLICY

Please review the terms and conditions of this Extended Parts Warranty during the next 30 days, and if, for any reason you are not satisfied, we will refund your money, if no benefits have been received from the warranty. DataStorm of Florida does not manufacture any of the parts for your DataStorm, therefore if the parts become unavailable from the manufacturer, DataStorm of Florida reserves the right to refund a portion of your warranty cost, if for any reason we are unable to meet the terms and conditions of this warranty.

YOUR SATISFACTION IS OUR GOAL.
